

SLOAN[®]

SloanStone[®] Sink Systems
Molded designs for a modern aesthetic

SloanStone® ELRF-81000 Round Front Sink in SloanStone White with angled enclosure in stainless steel shown with Optima® ETF-410 Faucet and Sloan® ESD-410 Soap Dispenser in Brushed Stainless. Royal® 111 ESS Flushometer in Brushed Stainless on ST-2459 Wall-mounted Water Closet.

Thoughtfully designed sinks that exceed all demands.

SloanStone® Sink Systems offer the ultimate solution for any high-traffic commercial restroom.

Fourteen models in a range of design and color options fit the needs and aesthetics for schools, healthcare facilities, office buildings, airports, and stadiums. These sinks have non-porous molded basins with no seams, making the surfaces more hygienic and easier to clean. The SloanStone line was specifically designed for all commercial environments.

Gradient ELGR Series

A contemporary design brings a strong visual presence with a clean form and dramatically angled basin.

Product Options

- 25 color options (see page 23)
- Component options include faucet and soap dispenser
- Mounting options include angle brackets or enclosure

 **Select models available for Sloan Quick Ship Program**

See page 22 for more details.

ELGR-81000 1-Station (30")

ELGR-82000 2-Station (60")

ELGR-83000 3-Station (90")

ELGR-84000 4-Station (120")

Shown: ELGR-82000 Gradient Sink in SloanStone® Matrix Silver shown with Combination ESD-1501 (Optima® EAF-150-ISM Faucet and Sloan® ESD-1500 Soap Dispenser).

Shown: SloanStone® ELA-82000 Arrowhead Sink in SloanStone Matrix Frost shown with Combination ESD-501 (BASYS® EFX-250-ISM Faucet and Sloan® ESD-500 Soap Dispenser).

Arrowhead ELA Series

A unique and modern design that comes to a slight point with an open front edge.
